In Memoriam

Billy Wayne Toole

December 6, 1948

April 20, 1968

The death of Billy Toole was both tragic and shocking.
Billy was a part of our community, our school, and our lives.
Although he is gone, the memory of Billy's friendly smile and
helpful disposition can never be erased.

Mrs. Barbara Oliver

Dark was her hair, her hand was white;
Her voice was exquisitely tender;

She talked of politics or prayers,
Of Southey's prose, or Wordsworth's sonnets ...

And she was flattered, worshipped, bored;
Her steps were watched, her dress was noted;
Her sayings were extremely quoted ...

She laughed, and every heart was glad,
She frowned, and every look was sad ...

Winthrop Mackworth Praed

The 1967-68 school year was a wonderful one filled with joys and tears, with work and study. Every day was a challenge, a spark of new hope. We laughed, we played, we studied. We lived for recesses, lunch hours, weekends, and holidays. We counted the days before graduation. Suddenly it arrived; just as quickly, it was over. It was then that we realized our great love and admiration for dear old Princeton High.

HOMEROOM REPRESENTATIVES

From the dull organizing and ratifying of a constitution to the successful completion of a Student Council dance - to the passing of Senior privileges - to the election of officers for 1968-69, the year has been "crammed" with activity. The Council officers, with the aid of the most cooperative, industrious, and successful Student Council in Princeton's history, has really done a grand job, and it passes on this firm foundation to future councils.

Our Homecoming theme was "Sleighbells in the Snow." At right, the girls and their escorts perform a Christmas tree figure similar to the traditional Maypole dance.

A Homecoming representative is elected from each freshman, sophomore, and junior homeroom and three from the senior class. The queen is elected by the entire high school from among the three senior representatives.

"Michelangelo" Williams mounts her ladder to finish her masterpiece.

"You mean this stuff has to go all around the gym!"

All the decorations and effort were worth it.

"Somewhere My Love"

Keith and Jenny took full advantage of the dreamy music.

Mr. Woodard, forget math for a while and live it up!

The Juniors created a true lover's paradise, complete with fairyland and fountain. The music by "The O'Kaysions" was too good to be ignored.

The decorating efforts of the Juniors proved to be well worth while. The Seniors took glowing memories of their last Junior-Senior to store with their other high school pleasures.

We would particularly like to recognize the dancing ability of some of our guests, Mr. and Mrs. J. W. Bailey and Mr. and Mrs. Raymond Sugg.

Even Mr. and Mrs. Turnage and Mr. and Mrs. Powell were bitten by the dance bug.
